# WHAT IS A MyCred PORTFOLIO?

**MyCred Portfolios** are credential and achievement presentation portfolios designed to store and present an individual's accomplishments.

MyCred Portfolios offer the flexibility, scalability, and portability to support an individual throughout their continuum of education and professional practice. These qualities empower students and professionals to share their accomplishments with colleagues, clients, coworkers, patients, students, employers, mentors, and parents in a practical, secure, and accessible format ... leading to stronger relationships and positive outcomes.
